The Global Forum on Food Security and Nutrition

The FSN Forum is...

**WHAT**
- an inclusive, multilingual platform for online and face-to-face dialogue on food security and nutrition;
- a global, regional and national system for knowledge sharing and policy support;
- a convener and moderator of targeted consultations, surveys, webinars and workshops;
- a network of experts and professionals who connect with and inform each other.

**WHO**
- 10,000+ people from over 190 countries and territories;
- people from academia, governments, donors, civil society, private sector entities and international organizations;
- professional networks and organizations focused on the achievement of the SDGs.

**WHERE**
- based at the Food and Agriculture Organization of the United Nations (FAO) since 2007;
- hosted by the FAO Agricultural Development Economics Division.

Flexibility and transparency are central to the FSN Forum’s success in connecting people and institutions of diverse backgrounds.

Tuning into regional voices

The Forum on Food Security and Nutrition in Europe and Central Asia (FSN Forum in ECA) is a regional multi-stakeholder platform where knowledge links with practice and policy decisions through facilitated policy dialogues.

It supports policies and programmes by providing a channel in English and Russian for stakeholders to contribute to existing initiatives and decision-making processes.
